

Murder Mystery Box

You have been selected to take part in an adventure. Soon, you shall receive a package by post. Contained within this package is a Murder Mystery Box.

The box holds all the keys to solving a murder mystery. You shall be provided with a log or journal replica of sorts to guide you through the mystery. Additionally, evidence envelopes contained within the box shall need to be opened at specific points in the adventure.

Follow the log, examine the clues, and solve the case.

Mystery Awaits...
